

Junkie

Poe

I know how to wear the costume
I know how to wear the mask
I even like the feel of having to, ask I like the sound of your whistle
I like the way you wear your grin
I even like the taste of my will caving in I'm not a junkie for your love
I'm not a junkie
I'm not a junkie for you love
I'm not a junkie
Don't tell the Captain
Don't you tell him what I've done Coming, keep it, keep it coming
Coming, keep it coming
Coming, coming
Stop This is such a sweet collaboration
You got the power and I got the shame
Funny thing is we both want somebody to blame I'm not a junkie for your love
I'm not a junkie
I'm not a junkie for you love
I'm not a junkie
Don't tell the Captain
Don't you tell him what I've done Keep it, keep it coming
Keep it, keep it coming
Keep it I'm not a junkie for your love
I'm not a junkie
I'm not a junkie for you love
I'm not a junkie I'm not a junkie for you love
I'm not a junkie
I'm not a junkie for you love
I'm not a junkie
Go tell the Captain
Won't you tell him what I've done?
