Chaos

Like a Storm

Each day is a war
A fight we must face
Our backs to the wall
Our hands bound and tied, our feet in the grave
Sometimes I feel it's what kills me inside
Sometimes I feel it's what keeps me alive
So take
the world that you hate,
the pain that you face
'Cause only the strong will survive
Break
the cage of your life,
awaken the fire inside
Let the chaos bring you to life
The deeper we fall
The higher we soar
The scars show us all
We will survive, when we can't take anymore
Sometimes I feel it's what kills me inside
Sometimes I feel it's what keeps me alive
So take
the world that you hate,
the pain that you face
'Cause only the strong will survive
Break
the cage of your life,
awaken the fire inside
Let the chaos bring you to life
Drain the world 'til it's all gone Drain the world 'til we all go down
Awaken the fire inside
Take the world that you hate,
the pain that you face
'Cause only the strong will survive
Break
the cage of your life,
awaken the fire inside
Let the chaos bring you to life
Drain the world 'til it's all gone
Drain the world 'til we all go down
