No Clouds

Silky Johnson

Woke up this morning, opened up my curtains
What do I see but a lovely day
Sun shinning down, no sign of the clouds
Don't wanna go to work 'cos I got to play
Call all my peeps and head for the beach
Do a whole lot of nothing all day long
I don't care about the 9-5, right here's where I belong
And I gotta funny feeling that things are gonna go my way
Ain't gonna be no clouds hanging over my head no more
All I can see is sunshine there's one thing I know for sure that
No way I'm holding onto yesterday, no more
Living for today, I don't care 'bout tomorrow
There was a time when you always would deny
You were sly, you were hiding things from me
Leaving every lie, never listened to my own mind
I've opened my eyes, now I really see
Without you here the way is clear
Live my life the way I wanna be
All that matters is right here, right now my life's ahead of me
Now I ain't gonna worry about the time, this day is mine
Ain't gonna be no clouds hanging over my head no more
All I can see is sunshine there's one thing I know for sure that
No way I'm holding onto yesterday, no more
Living for today, I don't care 'bout tomorrow
Ain't gonna be no clouds hanging over my head no more
(Be no clouds)
All I can see is sunshine there's one thing I know for sure that
No way I'm holding onto yesterday, no more
(All I see is sunshine)
Living for today, I don't care 'bout tomorrow
Ain't gonna be no clouds
I got myself a positive mentality, I'm Miss Congeniality
Thinking about the things that I'd like to do
When you were in my life, I never got the chance to do
It was hard for me to see I only needed me
You make a tipply, make me think that I couldn't be what I wanted to be
But now that I'm free I realized
That my life is mine, this is my own time
[Incomprehensible](Don't care)

Ain't gonna be no clouds hanging over my head no more
(Gon' be no clouds)
All I can see is sunshine there's one thing I know for sure that
(The way I'm holding on)
No way I'm holding onto yesterday, no more
Living for today, I don't care 'bout tomorrow
(Never no more)
Ain't gonna be no clouds hanging over my head no more
(No clouds)
All I can see is sunshine there's one thing I know for sure that
(I know for sure)
No way I'm holding onto yesterday, no more
(I'm not holding onto yesterday)
Living for today, I don't care 'bout tomorrow
(Don't care)
Ain't gonna be no clouds hanging over my head no more
All I can see is sunshine there's one thing I know for sure that
([Incomprehensible])
No way I'm holding onto yesterday, no more
Living for today, I don't care 'bout tomorrow
