

Oh Baby, Don't You Loose Your Lip on Me

[James Taylor](#)

Oh baby, don't you loose your lip on me, no, no, no now
Lord, have mercy, baby, now, don't you loose your lip on poor old loving man JT, no woo
Now I've tried so hard to be your good boy
Good God almighty, don't you know, mama, tell me what more
What more in this world in this whole wide world can a good boy
Just one by himself man be, no, woo
