Wear My Ring (feat. The Blue Caps)

Gene Vincent

Won't you wear my ring on your finger
Wear my love within your heart
And say you'll always be
As much in love with me as at the startWon't you wear my ring on your finger?
And make this solemn vow
That you'll will always be
As much in love with me as you are nowAnd when we're old and we're gray
We will still have this day
To remember when December comes in MayWon't you wear my ring on your finger?
Provin' that love is ours to share
You're mine till evermore
Just like this ring of gold you now wearAnd when we're old and we're gray
We will still have this day
To remember when December comes in MayWon't you wear my ring on your finger?
Provin' that love is ours to share
You're mine till evermore
Just like this ring of gold you now wear
