Tomorrow Tonight

Eva Avila

Yeah, yeah, yeah
Yeah, yeah, yeahTimes are hard, ain't nothin new, yeah
Feels like nothin' we can do
When the madness gets to you
Say you need to find a little groove, oh oh oh(No more nine to five)
Friday, the weekend is startin'
(Your times all right)
The music's waitin' for you
(Relax your mind)
Finally I'm ready to party
Feelin' like I need to groove, oh oh oh[CHORUS:]
Let the rhythm play
Don't feel no shame
Don't feel no pain
You can leave that sorrow behind
Gotta get that feelin'
Wanna touch the ceilin'
You know the deal, so
Forget tomorrow tonightYeah, yeah
Tonight, tonightTime is tickin' on your blues, yeah
Might as well get up and move
Take your stresses and kick off your shoes
You need to find a better groove(No more nine to five)
Friday, the weekend is startin'
(Your times all right)
The music's waitin' for you
(Relax your mind)
Finally I'm ready to party
Feelin' like I need to groove, oh oh oh[CHORUS:]
Let the rhythm play
Don't feel no shame
Don't feel no pain
You can leave that sorrow behind
Gotta get that feelin'
Wanna touch the ceilin'
You know the deal, so
Forget tomorrow tonightWere gonna kick your shoes off
We're gonna raise the roof up
Got me feelin' like a superstar, so

We're gonna have a party like there's no tomorrow tonight[CHORUS:]
Let the rhythm play
Don't feel no shame
Don't feel no pain
You can leave that sorrow behind
Gotta get that feelin'
Wanna touch the ceilin'
You know the deal, so
Forget tomorrow tonight[CHORUS:]
Let the rhythm play
Don't feel no shame
Don't feel no pain
You can leave that sorrow behind
Gotta get that feelin'
Wanna touch the ceilin'
You know the deal, so
Forget tomorrow tonight
