

From A Shell

[Lisa Germano](#)

And the Earth spins 'round while the people fall down,

And the world stands still, not a sound, not a sound.

There is love, there is love to be found.

In the worst way, in the worst way, in the worst way. It's the buzz, it's the buzz, it's the buzz.

It's the buzz, it's the buzz, I wish I was.

It's the buzz, it's the buzz, it's the most fun. From a little shell at the bottom of the sea,

With the Earth and the Moon and the Sun above me,

But the world fell down with some people still around,

There is love, there is love to be found. With the gods all gone and the souls making sounds,

In the worst way, in the worst way, in the worst way. It's the buzz, it's the buzz, it's the buzz.

It's the buzz, it's the buzz, I wish I was.

It's the buzz, it's the buzz, it's the most fun. From a little shell at the bottom of the sea,

With the Earth and the Moon and the Sun around me, There is love, there is love, there is love. It's a buzz, it's a buzz, it's a buzz.

It's the buzz, it's the buzz, I wish I was.

It's a buzz, it's a buzz, it's a buzz.
