

Sturm & Drang

Kmfdm

You make and break your own restrictions
You write and prove your own revisions
 You become new
You sweat and bleed pure fascination
 You thrive upon disintegration
 You break through
The truth, the lies all fabrications
Only you control your destination
 You, you are what you do
 Sturm and drang
 Dir gehoren
 Sturm and drang
 Kunst erleben
 Sturm and drang
 Neu und fremd
 Sturm and drang
 Mein KMFDM
You put aside your resolution
You dig into a new conclusion
 You become new
You revel in the de-construction
You feel your mind become a weapon
 You break through
The truth, the lies all fabrications
Only you control your destination
 You, you are what you do
 Sturm and drang
 Dir gehoren
 Sturm and drang
 Kunst erleben
 Sturm and drang
 Neu und fremd
 Sturm and drang
 Mein KMFDM
Wiederaufbau und vernichtung
Wirklichkeit und heldendichtung
 Edle wahrheit und legende
 KMFDM zum bittere
 Sturm and drang

Dir gehoren
Sturm and drang
Kunst erleben
Sturm and drang
Neu und fremd
Sturm and drang
Mein KMFDM
Mein KMFDM
Sturm and drang
