

Sturm & Drang

Kmfdm

You make and break your own restrictions

You write and prove your own revisions

You become new

You sweat and bleed pure fascination

You thrive upon disintegration

You break through

The truth, the lies all fabrications

Only you control your destination

You, you are what you do

Sturm and drang

Dir gehören

Sturm and drang

Kunst erleben

Sturm and drang

Neu und fremd

Sturm and drang

Mein KMFDM

You put aside your resolution

You dig into a new conclusion

You become new

You revel in the de-construction

You feel your mind become a weapon

You break through

The truth, the lies all fabrications

Only you control your destination

You, you are what you do

Sturm and drang

Dir gehören

Sturm and drang

Kunst erleben

Sturm and drang

Neu und fremd

Sturm and drang

Mein KMFDM

Wiederaufbau und vernichtung

Wirklichkeit und heldendichtung

Edle wahrheit und legende

KMFDM zum bittere

Sturm and drang

Dir gehören
Sturm and drang
Kunst erleben
Sturm and drang
Neu und fremd
Sturm and drang
Mein KMFDM
Mein KMFDM
Sturm and drang
