

# Sure Is Nice

## Natural Child

You know it sure is nice  
To have a little bit of money  
You know it's been a long time  
Now finally honey  
We got a good place  
Stand and stare at the sun  
You know that look on your face  
Makes me not want to run You know it sure is nice  
To have a sexy sweet woman  
You know you got me on call  
You know you keep me comin'  
I don't have to worry  
Where I'm gettin' mine from  
You know there's lots of pretty girls  
You make 'em all seem so dumb You know it sure is nice  
To have a place to sit  
You can leave me alone  
While I'm taking a shit  
Keep the door locked up  
No matter how you're knockin'  
I'm gonna be here a while  
So just keep on walking
