

Scared

Above The Golden State

I am scared, I'm afraid
Mercy me with Your grace
My heart said in brokenness
I want to see Your face Don't You hide, don't You leave
Don't You turn away from me
?Cause if You go I'll be forsaken
Who will be my soul?s salvation? Lord, hear my cry, hear my heart
Here I come to where You are
I'll be there for You, You'll be there for me Lord, though I'm weak, You are strong
So I'll go back where I belong
You'll be there for me, I'll be there for You
You'll be there for me Answer me in my place
You told me to seek Your face
My heart spoke with heaviness
Your face I will seek Don't give up, don't forget
Remember me and I won't quit
What good am I if I'm not taken?
And who am I without salvation? Lord, hear my cry, hear my heart
Here I come to where You are
I'll be there for You, You'll be there for me Lord, though I'm weak, You are strong
So I'll go back where I belong
You'll be there for me and I'll be there for You
You'll be there for me Lord, hear my cry, hear my heart
Here I come to where You are
You'll be there for me, I'll be there for You
You'll be there for me
