

The Only One (Live In Studio Recording)

Tabitha's Secret

I don't know what we're fighting about
When everyone can see that I'm not crazy
I only wanted to be the only one
I only wanted to be the only oneA chance to be forgiven, a chance to be forsaken
Did I ever by chance cross your mind?
I only wanted a chance to see you shine
I only wanted a chance to see you shineI don't have no worries, no and I don't need no answers
And there's just enough to make it day by day
Just enough to make you fade away
I don't know what we're fighting aboutEveryone can see that I'm not crazy
I only wanted to be the only one
I only wanted to be the only oneI don't need forgiveness and I wont be forsaken
And I'm only here to take back what is mine
I cant believe the dullness of your shine
Just enough has been taken awayTo make me believe in it all and I pray
And I've only been on at the start to begin
Just enough that there seems to be no end
I only wanted to see your face again
I only wanted to touch your face againI don't know what we're fighting about
Every one can see that I'm not crazy
I only wanted to be the only one
I only wanted to be the only one
