## Thor (The Powerhead)

## Manowar

Black clouds on the horizon Great thunder and burning rain His chariot pounding

I heard the heavens scream his nameI watched as he shouted

To the giants who died that day

He held up his hammer high

And called to Odin for a signThor the mighty, Thor the brave

Crush the infidels in your way

By your hammer let none be saved

Live to die on that final day

Gods, Monsters and men

Will die together in the endGod of thunder, God of rain

Earth shaker who feels no pain

The powerhead of the universe

Now send your never ending curseI watched as he shouted

To the giants who died that day

He held up his hammer high

And called to Odin for a signThor the mighty, Thor the brave

Crush the infidels in your way

By your hammer let none be saved

Live to die on that final day

Gods. Monsters and men

Will die together in the endSwing your hammer to crack the sky

Lift your cape so that you might fly

Back to Odin and the Gods on high

And leave this mortal worldThor the mighty, Thor the brave

Crush the infidels in your way

By your hammer let none be saved

Live to die on that final day

Gods, Monsters and men

Will die together in the end
