

Potential New Boyfriend

[Dolly Parton](#)

Got my eye on a boy, he's eyein' me back
It's lookin' real good this could be it
But I know that all of you girls
Would love to steal him away He bought me a drink, I thanked him real sweet
It's always so nice when you first meet
And I know that all of you women
Would love to steal him away So I'm warnin' you Better keep your hands off my
Better keep your hands off my
Better keep your hands off my potential new boyfriend
Buildin' up an appetite
You can look but you can't buy
Better keep your hands off my potential new boyfriend Pretty as a picture
Comin' on so strong
He's twistin' my ignition key
Turn my motor on But anyone can see, all his attention's on me
Give us some privacy Better keep your hands off my
Better keep your hands off my
Better keep your hands off my potential new boyfriend
Better keep your hands off my
It's a welcome turn to try
Better keep your hands off my potential new boyfriend Leave us alone tonight
Then if it don't work out right
He's all your's
Until' then Better keep your hands off my
Better keep your hands off my
Better keep your hands off my potential new boyfriend
They crowdin' in on me
He smiles rather insuspiciously
Better keep your hands off my potential new boyfriend Better keep your hands off my
Better keep your hands off my
Better keep your hands off my potential new boyfriend
Buildin' up an appetite
You can look but you can't buy
Better keep your hands off my potential new boyfriend Better keep your hands off my
Better keep your hands off my
Better keep your hands off my potential new boyfriend
Better keep your hands off my
