Got your IM baby, girl don't front on me.
Tell me what you drinkin 'nother round on me.

Is you from the islands? Cuz I know you naughty.
I want your body, but don't tell nobody.(Hook)
You and me that's something different.
I can show you what you missin'.
All that ass you know you gifted.
I'm not in to basic bitches.
Hola mami, hola mami, hola mami
Por que tan buena mami
Hola mami, hola mami(Verse)Hola mami kinda rusty with my Spanish.
You need a thug and Ima give it to you mannish.
I need a bitch that with it, please excuse my manners, lookin like a lot to handle we can do it for the cams.
From the club all the way to the casa
Drop the hoes, you the one I'mma roster
There the trees we can poke like some rastas.
Do you real proper have you singing like Opera's
Fuck the weekends, we can do the weekdays
Bikini shots, couple crackers, and Ceviche.
Yeah I know a little bit of somethin.
Give it to you how you want and
all these other niggas frontin
Me and Jonn only lookin for the foreigns
Heard if it ain't that then it's boring
Traded in my Keisha for a Rita Ora.
Now I never leave the house, Im out of order

You and me that's something different.
I can show you what you missin'.
All that ass you know you gifted.
