

# Some Kind Of Friend

## Barry Manilow

I saw you at the Beechwood Cafe  
You looked at me and then you looked away  
    That was some kind  
Some kind of friend you turned out to be  
You said you had places that you had to be  
    Now who is gonna be there for me  
    That was some kind  
Some kind of friend you turned out to be  
    Lady that was some kind  
Some kind of friend you turned out to be  
    Baby, that was some kind  
Some kind of friend you turned out to be  
They say a women like you can't get enough  
    Got your Mazaradi built for two  
They say that women like you like to play with love  
    Is that true?  
    When I ran into you the other day  
You smiled at me but you had nothin' to say  
    That was some kind  
Some kind of friend you turned out to be  
Oh, tell me why'd you do what you did to me  
    Covered up your life so I couldn't see  
    Now that was some kind  
Some kind of friend you turned out to be  
    Lady, that was some kind  
Some kind of friend you turned to be  
    Baby, that was some kind  
Some kind of friend you turned out to be  
    I never should have let you get to me  
Never should have let you bring me down  
    Didn't know that I was just some fantasy  
    That you found  
Some kind, some kind of friend  
    Some kind  
Some kind, some kind of friend  
    Some kind  
Some kind, some kind of friend  
    Some kind  
Some kind, some kind of friend

Some kind  
Lady, that was some kind  
Some kind of friend you turned to be  
Baby, that was some kind  
Some kind of friend you turned out to be  
Some kind of friend
