

Children Of God

[Steven Curtis Chapman](#)

Who are the treasured and the prized?
Who is the apple of God's eye? Who is?
We are, we are, we are
Who are the ones who bear His name?
Who are the children He has claimed as His?
We are, we are, we are
The ones God has sent His son to rescue
And now He calls us His own
We are the children of God
We are the children of God
We are the sons and the daughters
Almighty God is our Father
We are the children of God
We are the children of God
How can we keep from singing?
We are the children of God
La, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la
Who'll keep the rocks from crying out?
Who are the voices that will shout His praise?
We are, we are, we are
Who are the ones who bear His name?
Who are the children He has claimed as His?
We are, we are, we are
How great the love the Father has shown us
That He would call us His own
We are the children of God
We are the children of God
We are the sons and the daughters
Almighty God is our Father
We are the children of God
We are the children of God
How can we keep from singing?
We are the children
And we will sing for joy
For the God on His throne
He has come for us
And called us His own
And we will sing for joy

As the dearly loved children of God

Come on, let's sing

La, la, la, la, la, la, la, la, la, la

La, la, la, la, la, la, la, la, la, la

La, la, la, la, la, la, la, la, la, la

La, la, la, la, la, la, la, la, la, la

We are the children of God

We are the children of God

We are the sons and the daughters

Almighty God is our Father

We are the children of God

We are the children of God

How can we keep from singing?

We are the children of God

La, la, la, la, la, la, la, la, la, la

La, la, la, la, la, la, la, la, la, la

La, la, la, la, la, la, la, la, la, la

La, la, la, la, la, la, la, la, la, la
