

Sad Eyes

Sugar Eyes

I don't like the things you don't say
Leavin' it for such a long, long time
Why do you show me those sad, sad eyes
Each time you decide to pass on by
And when you smile those sad eyes
 Look sadder and sadder still
 Autumn's hue in those sad eyes
 Makes me love and love them more
 I'll have a bath, I'll make the dinner
 And then I'll go wait for a long, long time
 But still you've not passed my door
 And when you smile those sad eyes
 Look sadder and sadder still
I can tell that you're lonely but it seems now
 There's nothing you want me to do
 So I won't try to take the sadness
 From those eyes that I love
 Leave it open for someone else to
 And when you smile those sad eyes
 Look sadder and sadder still
 Trying to hold it together
 Keep my love as light as a feather
 Sad eyes, baby, it's been such a long time
 Keep my heart breaking in the dark
 Come and spend the night
Sad eyes [Incomprehensible] hold it together
 (Sad eyes, oh)
 Keep my love as light as a feather
 (Sad eyes)
Sad eyes, baby, it's been such a long time
 (Sad eyes)
 Keep my heart breaking in the dark
 Come and spend the night
 Sad eyes
 Sad eyes
 Sad eyes
