The Rain Song

Led Zeppelin

I don't think about us much anymore
Frankly, the topic has become a bore
And you don't come up much in my conversations
And I don't think about you on vacation
But when it rains
When it rains
When it rains
That's when I remember
That's when I remember
When I remember you
I remember you
I don't think about us when I'm sleepin'
It doesn't even cross my dreamlike mind
I don't think I see your face through the curtains
Hell, I don't even miss you half the time
Oh, but when it rains
When it rains
When it rains
That's when I remember
That's when I remember
When I remember you
I remember you
Rain, rain go away I'm doing fine
As long as you stay
Locked up inside a cloud of gray
Rain, rain
Rain, rain, rain
Rain, rain, rain
Rain
When it rains
When it rains
When it rains
That's when I remember
That's when I remember
When I remember you
I remember you
Oh, that's when I remember
The only time I remember
Yaa, I remember you

Oh oh
