

# The Rain Song

## Led Zeppelin

I don't think about us much anymore  
Frankly, the topic has become a bore  
And you don't come up much in my conversations  
And I don't think about you on vacation  
But when it rains  
When it rains  
When it rains  
That's when I remember  
That's when I remember  
When I remember you  
I remember you  
I don't think about us when I'm sleepin'  
It doesn't even cross my dreamlike mind  
I don't think I see your face through the curtains  
Hell, I don't even miss you half the time  
Oh, but when it rains  
When it rains  
When it rains  
That's when I remember  
That's when I remember  
When I remember you  
I remember you  
Rain, rain go away I'm doing fine  
As long as you stay  
Locked up inside a cloud of gray  
Rain, rain  
Rain, rain, rain  
Rain, rain, rain  
Rain  
When it rains  
When it rains  
When it rains  
That's when I remember  
That's when I remember  
When I remember you  
I remember you  
Oh, that's when I remember  
The only time I remember  
Yaa, I remember you

Oh oh
