

Oh Nick Please Not So Quick (Flute Version)

E-Rotic

Oh Nick please not so quick
You know I want it big
I want to feel like in heaven
Just like in heaven
Oh Nickie not so quick
You know that makes me sick
I want to feel you forever You are so sweet - And I feel the heat
You are the one you're the one that I need
Oh yeah yeah baby do it to me -
I want to feel you deep want to feel you so deep
Baby hold me tight baby hold me just tight
I can't stand stand stand it all night
I want you - And you know it's high noon
I'm come - Come - Coming real soon Oh Nick please not so quick
You know I want it big
I want to feel like in heaven
Just like in heaven
Oh Nickie not so quick
You know that makes me sick
I want to feel you forever
Aah Aah Aah Aah Nickie Nickie
Baby let's come together
I want to feel you as long as I can Head over heels - I'm breaking your seals
So gimme some more just to see how it feels
So join me - want to go to the top
Having sex ain't gonna be a flop
Oh baby I can't stand it no more
Never been in heaven before
Can't hold back - baby feel it oh wow
I'm come come coming right now Nickie no quickie
Wait till you feel I'm ready
Please hold me tight in the dark of the night Aah Aah Aah Aah Nickie Nickie (Good night Nickie)
