Leave It All Behind

The Foreign Exchange

Ba-dee-ba-dum-waaaaaay-oh.
Ba-dee-ba-dum-waaaaaay-oh.
Ba-dee-ba-dum-waaaaaay-oh.
Ba-dee-ba-dum-waaaaaay-oh.
I hope you dream of lullabies and clowns.
The more you, open your eyes
The harder to believe
So here's a song for you when you are down, are doooown...
Cause only heaven knows
What to make of these changing times
But for tonight, let's just leave it all behind
I know this world's so cold
But don't let teardrops change your mind
So for tonight, let's just leave it all behind
They say a child like you's one of a kind
(One of a kind, God will GUIDE US)
We dream of life, playing in the sun
So please don't ever be afraid to shine
(whoooa-oaaa, whoaaaaa.)
LEAVE it All Behiiiind!
