Love Drunk

Little Mix

[Jade]
Can't breathe, can't sleep, crazy, what you do to me
Head is smokin', feeling my heart is open
So hazy, but it's alright, you take me, to the dark side
Dangerous, but I'm fearless[Jesy]
My eyes are blue but I'm seeing red
And I just can't shake you outta my head
Maybe maybe maybe, maybe maybe maybe[Chorus:]
I'm a little bit love drunk
Ever get the feeling where you're miles away
Everybody's looking at me walking, stumbling
Hardly talking, mumbling, going red in the face
Promise I've been drinkin' only lemonade, it's all I take,
My hearts just on one about someone
And I'm a little bit love drunk[Leigh-Anne]
Feelin' so hot, I'm taking your clothes off
Glasses steamed up, I'm dreaming that no one can see us[Perrie]
Lying underneath the stars, Jupiter hits on Mars
And it hits me so hard[Jesy]
My eyes are blue but I'm seeing red
And I just can't shake you outta my head
Maybe maybe maybe, maybe maybe maybe[Chorus]
I'm a little bit love drunk
Ever get the feeling where you're miles away
Everybody's looking at me walking, stumbling
Hardly talking, mumbling, going red in the face
Promise I've been drinkin' only lemonade, it's all I take
My hearts just on one about someone
And I'm a little bit love drunk[Perrie]
Trippin' on the floor
Freaky love for sure
Still I need you more
You knock me down with those eyes
And do it every time
Can't shake you out of my mind[Leigh-Anne]
Just a little bit love drunk heading the crowd
And that will never be a hater that can bring us down
I've been slurring my words and I don't know what to say
But it's a feeling that I believe in, never felt this wayAnd I swear I don't even like Hennesy

They call me love drunk 'cause I'm far from tipsy
They call me love drunk, what are you doing to me?
They call me love drunk 'cause I'm far from tipsy[Jesy]
My eyes are blue but I'm seeing red
And I just can't shake you outta my head
I'm getting so hot then I'm getting cold
I'm a feverish and I'm about to blow[All]
Maybe maybe maybe, maybe maybe maybe, maybe maybe maybe[Chorus]
I'm a little bit love drunk
Ever get the feeling where you're miles away
Everybody's looking at me walking, stumbling
Hardly talking, mumbling, going red in the face
Promise I've been drinkin' only lemonade, it's all I take
My hearts just on one about someone
And I'm a little bit love drunkI'm a little bit love drunk
I'm a little bit love drunkI'm a little bit love drunk
My eyes are blue but I'm seeing red
I'm a little bit love drunk
