Until the Last Breath

Dead Soul

At last everything is becoming clear
and all my fear has disappeared.
A journey without an end
too complicated to understand.Every knife in my back was heaven sent
every toss and turn and failed attempt
it made me strong, it made me see
what kind of man i aimed to beCarry you through the pain
Until the last breath
When everything seems to be in vain
Until the last breath
Take a bullet with your name
Until the last breath
Staying sane when you`re insane
Until the last breathMight be lost in a world that`s not my home
but i got you, i`m not alone
Only reason that i need
to keep on breathing althouh i bleed
