

# Little Birds

Levon Helm

Little birds are singing all around me, on every bush and vine,  
My pleasures would be doubled if I could call you mine. As I've sat here the whole night through till now it's a  
breakin' day,  
I'm awaitin' for an answer, kind lady what do you say? If I could tell to you my mind, I would choose a single  
life,  
For I would never thought that it suited for me to be your wife. So he wrote to her an answer and he sent it by  
full speed,  
"You know I once did love you dearly, I once loved you indeed." But since that time my mind has changed, I  
loved another way,  
I love a pretty fair damsel more suitable for me" And it had not been, but a very short time 'til this maiden's  
mind did change,  
She wrote him a letter, "Kind sir I am ashamed," If ever I have slighted you, or ever done you wrong,  
I am so far away from you that I can't hear you moan" Little birds are singing all around me, on every bush and  
vine,  
My pleasures would be doubled if I could call you mine;  
My pleasures would be doubled if I could call you mine
