

Second Nature

Paperwork/ Birdwork

Second nature
Second nature Why does love always seem so very hard
It's such a struggle to win the reward
Because I'm playin' with the wrong cards
But I think I got the winnin' hand
There's something different about you, babe
That tells me I can I say it's easy for the things that I do
Never a question, always a pleasure to
Love you, love you, love you Baby, I won't say no
The love that you give is so
Abound and I can't let go of this love It's so natural, so natural to give my love
It's so easy, easy like second nature
It's so natural, so natural to give my love
Like no other, easy like second nature Baby
Baby Thinkin' of you is the breath that I take
Just for your love I can't wait
I could never think twice
It wakes me up in the mornin'
And in the middle of the night
And with a smile on my face, I'm ready Baby, I won't say no
Your love that you give is so
Abound and I can't let go of this love It's so natural, so natural to give my love
It's so easy, second nature
It's so natural, so natural to give my love
Like no other, second nature It's so natural, so natural to give my love
It's so easy, second nature
It's so natural, so natural to give my love
[Incomprehensible] second nature Second nature
It's so natural, baby
To give you all my love, yeah
And if you want it then you got it, baby Second nature
Second nature
Second nature
