Firefly

Uriah Heep

My love lives at the end of a rainbow
One day, I'm gonna fly there on a firefly
High above white angry water
With a love song in my heartSomeday, somehow, I know I'm gonna get there
I've been patient for so long
All my day dreams seem so much nearer now
And I beg you hear my songFirefly, on your glowing wings I'll ride
Till, I sit beside this dream of mine
Firefly, high on a risin' tide
Only wanna touch the things, I've seenSteppin' lightly from star to star
Cross a wilderness of blue
Wonderin' how much in love with me you are
'Cause, I'm so much in love with youFirefly, on your glowing wings I'll ride
Till, I sit beside this dream of mine
Firefly, high on a risin' tide
Only wanna touch the things, I've seenFirefly, can you take me
I ain't had no lovin' lately
Firefly, bring me loveTo my new horizon
The one that I've still got my eyes on
My, my, firefly, firefly, firefly, fireflyTo my new horizon
The one that I've still got my eyes on
My my firefly, firefly, firefly, firefly, firefly, fireflyIn my dreams you come to me
The answer to my prayer
As I begin to feel, you warm my heart
I awake and you're not thereNow and then, I see your eyes
As the stars begin to shine
No rain to cool my passion
No, not now, no, now you're mineFirefly, on your glowing wings I'll ride
Till, I sit beside this dream of mine
Firefly, high on a risin' tide
Only wanna touch the things, I've seen
