Savior, Please

Josh Wilson

Savior please
Take my hand I work so hard
I live so fast
This life begins
And then it ends
And I do the best that I can
But I donâ€™t know how long Iâ€™ll last

I try to be so tough
But Iâ€™m just not strong enough
I canâ€™t do this alone
God I need you to hold on to me
I try to be good enough
But Iâ€™m nothing without your love
Savior please keep saving me
Savoir please help me stand
I fall so hard
I fade so fast
Will you begin
Right where I end
And be the God of all
I am because youâ€™re all that I have
I try to be so tough
But Iâ€™m just not strong enough
I canâ€™t do this alone
God I need you to hold on to me
I try to be good enough but
Iâ€™m nothing without your love
Savior please keep saving me

Hallelujah
(Everything you are to me)
Hallelujah
(Is everything Iâ€™ll ever need)
Hallelujah
(And I am learning to believe)
Hallelujah
(That I donâ€™t have to prove a thing)
Hallelujah

(Cause youâ€™re the one who is saving me)

Hallelujah
(Hallelujah)
I try to be so tough
But Iâ€™m just not strong enough
I canâ€™t do this alone
God I need you to hold on to me
I try to be good enough
But Iâ€™m nothing without your love
Savior please keep saving me
Savior please keep saving me
