Stay With Me

Bernhoft

(Piano intro)Stay with me,
oh stay with me,
through my troubled times,
oh and the good ones toStay with me,
oh stay with me.
I am dying to set your heart on fire againI was lost,
It was dark,
I kept stumblin'
I was lost,
I couldn't lift,
my eyes from my shoes.
Sweet fingers broken straight into my retina
I was lost,
I saw your face,
and I saw it was true.Stay with me,
oh stay with me,
through my troubled times,
oh and the good ones toStay with me,
oh stay with me.
I am dying to set your heart on fire againI took a quick laught right
before the blinding lights.
I swirred and hit the floor
flat on my teeth.
I was wasted, hazed and dissy.
Torn between myself
be my guide on land,
in the air or out to sea.oooh stay with me,
oh stay with me,
Trough my troubled times,
and the good ones to.
Stay with me,
oh stay with meI'd be dying in here,
if you ever let go.
Am I trying to hard?
Was I ment to be poor?
Am I working to much much,
or maybe to slow?
I don't know, I don't know
I don't know, I don't know

without you babyStay with me,
oh stay with me,
through my troubled times,
oh and the good ones toStay with me,
oh stay with me.
I am dying to set your heart on fire againStay with me,
oh stay with me,
through my troubled times,
oh and the good ones toStay with me,
oh stay with me.
I am dying to set your heart on fire again
