

It Could Happen to You

Monica Zetterlund

Hide your heart from sight,
Lock your dreams at night,
It could happen to you.
Don't count stars,
Or you might stumble.
Someone drops a sigh,
And down you'll tumble. Keep an eye on spring,
Run when church bells ring.
It could happen to you.
All I did was wonder
How your arms would be,
And it happened to me.
Hide your heart from sight,
Lock your dreams at night,
It could happen to you.
Don't count stars,
Or you might stumble.
Someone drops a sigh,
And down you'll tumble.
Keep an eye on spring,
Run when church bells ring.
It could happen to you.
'Cause all I did was wonder
how your arms could be,
And then it happened to me.
