

# Red River

## Rudyard Fearon

Red River

there is a river  
running  
inside these veins.  
blood red  
angry river  
running  
inside these veins.  
bubbling river  
bursting  
through these veins.  
old river  
haunting these veins.  
pulsing river  
old river  
angry river  
blood red river  
where is my name?
