In My Blood

William Beckett

Right here
Right now
We?re falling apart while we're falling down
Who knew, to hurt would feel this good
Move along so far from home
My mistakes go on and on
In truth I hate to be alone
It?s in my blood and it?s in my bones
In my heart and it?s in my soul
And when I?m gone I hope you?ll understand
When I get home I will make amends
When Tuesday comes I?ll be gone again
And when I?m gone
I hope you?ll understand (I hope you?ll understand)
It?s in my blood
I miss your touch and I miss your smile
The thing you do that drives me wild
But you know
It?s the way it has to be
Another day and another round

I miss the friends in my hometown
But in truth it?s the reason that I leave
It?s in my blood and it?s in my bones
In my heart and it?s in my soul
And when I?m gone I hope you?ll understand
When I get home I will make amends
When Tuesday comes I?ll be gone again
And when I?m gone
I hope you?ll understand (I hope you?ll understand)
Would you love me the same
If I never started dreamin?
Are we better this way
Ever since I started leavin?
It?s in my blood and it?s in my bones
In my heart and it?s in my soul
And when I?m gone I hope you?ll understand
When I get home I will make amends
When Tuesday comes I?ll be gone again

And when I?m gone
I hope you?ll understand (I hope you?ll understand)
