

Fly Away With Me Woman

Pure X

fly away with me woman
fly away
there is no reason
to stay here where we are
livin' with so many silly people
i don't even know
where it is i want to go
i don't even care
it can be anywhere
fly away with me woman
fly away
there is nothin wrong with isolation
i don't even know
what it is i want to know
i don't even care
we're already there
fly away with me woman
fly away
