Fireflies

The Coral

I walked by the window
And stopped in the light
I stood there watching
The firefliesWent down to the ocean
In search of a song
Wherever I'm going
That's where I belongFireflies fly on by
You will never ever see me cry
You won't see me cry
You won't see me crySand [Incomprehensible]
Appear on the shore
If you ask for nothing
You'll get nothing moreI walked by the window
And stopped in the light
I stood there counting
The firefliesFireflies fly on by
You will never ever see me cry
You won't see me cry
You won't see me cryFireflies fly on by
You will never ever see me cry
You won't see me cry
You won't see me cryI'm watching fireflies, watching fireflies
I'm watching fireflies, watching fireflies
I'm watching fireflies, watching fireflies
