

10 (feat. Starxs)

Built By Titan

I was a hurricane
I was a lost boy
I was a runaway
Oh I could fly
When I was 10 years old
When I was 10 years old
I was the reckless tide
In a white sea
Oh I could pierce the night
With just one light
'Cause I was 10 feet tall
Yeah I was 10 feet tall
All of the shattered bones
All of the broken homes
All the things that we've been through
Would somehow lead me back to you
Oh we would close our eyes
Oh we would rule tonight
All the things that we've been through
Would somehow take me back to you
I don't wanna be nobody else
I don't wanna be nobody else
I keep running from myself
Trying to be somebody else
I don't wanna be nobody else
I don't wanna be nobody else
I keep running from myself
Trying to be somebody else
You were a blazing heart
In a cold world
You were a raging fire, rising high
When you were 10 weeks old
Yeah, when you were 10 weeks old ooooooh
'Cause they gonna try, gonna try, gonna try, gonna try
But they never gonna take your heart, baby
They never gonna take your heart, baby
(ooooooo)
But they never gonna take your heart, baby
They never gonna take your heart, baby

All of the roads we've crossed
All of the dreams we've lost
All of the things that we've been through
Would somehow lead me back to you
When ooh, you were shining bright
Ooh, you went all tonight
And all the things we've through
Would somehow lead me back to you
I don't wanna be nobody else
I don't wanna be nobody else
I keep running from myself
Trying to be somebody else
I don't wanna be nobody else
I don't wanna be nobody else
I keep running from myself
Trying to be somebody else
Brothers, sisters, keep on running
Fathers, mothers, keep on loving
Fighters, soldiers, hold your weapons
And lay your back on me
Lay your back on me
Brothers, sisters, keep on reaching
Fathers, mothers, keep on dreaming
Fighters, soldiers, drop your weapons
And lay your back on me
Lay your back on MEE
Ohhh oh oh
I don't wanna be nobody else
I don't wanna be nobody else
I keep running from myself
Trying to be somebody else
I don't wanna be nobody else
I don't wanna be nobody else
I keep running from myself
Trying to be somebody else
Oooh
Oh oh oh oh oh
Oh oh oh oh oh
Oh oh oh oh oh
Oooh
Perfect score
