

Negro Spiritual

Head Automatica

You wanna pop pop pop
You wanna click click click
You wanna shoot
You wanna shoot
You wanna shoot
Shoot everything you came to shoot
Do everything you came to do Yay-e-yeah
I'll put assassins in your little head yeah
Yay-e-yeah
I'll put assassins in your little head yeah Sleepin with the enemy
Seems to get the best of me
Sleepin with the enemy You wanna pop pop pop
You wanna click click click
You wanna shoot
You wanna shoot
You wanna shoot Yay-e-yeah
I'll put assassins in your little head yeah Sleepin with the enemy
Seems to get the best of me
Sleepin with the enemy Yay-e-yeah
I'll put assassins in your little head yeah
Yay-e-yeah
I'll put assassins in your little head yeah
Yay-e-yeah
I'll put assassins in your little head yeah
Yay-e-yeah
I'll put assassins in your little head yeah
