

# Sunny Hours

## Long Beach Dub Allstars

Yeah yeah yeah, I'm alright  
You wanna be alright, you gotta walk tall  
Yo alright, yo alright  
You wanna be alright, you gotta walk tall Well I've strolled across some dance floors  
Filled with girls all dressed in red  
Pulled my foot from my mouth answered back to things I've said  
Wandered through the valley of the shadow of the dead  
Stumbled round this old sundial, there these words I read I only got the sunny hours, brightest hours of day  
I never count the gloomy hours, I let them slip away  
And I realize I'm away Come on yeah yeah yeah yeah, yeah yeah yeah yeah  
I'm alright y'all, alright y'all, you wanna be alright, you gotta walk tall  
Come on, set up yeah yeah yeah yeah, yeah yeah yeah yeah  
I'm alright y'all, alright y'all, you wanna be alright, you gotta walk tall You gotta walk tall y'all, y'all, y'all,  
yeah, yeah, yeah, yeah Well, I woke up in too many beds with girls I didn't know  
I've seen lots of brothers at top, and I've watched them come and go  
And tell me why I'm not dead with them in the valley down below  
I give thanks everyday for these words that save my soul I only got the sunny hours, the brightest hours of day  
I never count the gloomy hours, I let them slip away  
And I realize I'm away Come on yeah yeah yeah yeah, yeah yeah yeah yeah  
I'm alright y'all, alright y'all, you wanna be alright, you gotta walk tall  
Come on, set up yeah yeah yeah yeah, yeah yeah yeah yeah  
I'm alright y'all, alright y'all, you wanna be alright, you gotta walk tall It's like the wise man said, relax yourself  
When it's moving too fast, you set ya down  
When the going gets tough, then get to going  
If you really wanna speak, then make the sound Keep your eyes on the prize and realize  
That the struggles gonna come in all shapes and size  
But you gotta stay strong, don't let your knees buckle  
Gotta keep the hustle, keep hustling, do it, do it, do it Let the lovin', let the lovin' come back to me  
Bring it, bring it, bring it, bring it, bring it back to me  
Let the lovin', let the lovin' come back to me  
Bring it, bring it, bring it, bring it back to me  
Let the lovin', let the lovin' come back to me  
Bring it, bring it, bring it, come back to me  
Let the lovin', let the lovin' come back to me Come on yeah yeah yeah yeah, yeah yeah yeah yeah  
I'm alright y'all, alright y'all, you wanna be alright you gotta walk tall  
Come on, step up, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah  
I'm alright y'all, alright y'all, you wanna be alright you gotta walk tall Yeah yeah yeah yeah, yeah yeah yeah  
yeah
