

# Lover Man

## Bob Thompson

Aw  
Yeah  
I know you got somebody  
Who thinks you're home tonight  
You're lookin' for a good time  
    Girl, I'll do you right  
    Forget your other man  
I wanna be your Lover Man  
    Now don't go feelin' guilty  
    How could this be wrong?  
    Girl, you may not know it  
But you're right where you belong  
    Don't you understand?  
I wanna be your Lover Man  
    I'll give you what you ain't been given  
    The love you've gone without way too long  
        Let's not waste another minute  
Before the night is gone let's do and say we didn't  
    'Cause this feeling's way too strong  
        Girl, give me your hand  
        I wanna be your Lover Man  
        Oh, let's dance  
    I'll give you what you ain't been given  
    The love you've gone without for way too long  
        Let's not waste another minute  
Before the night is gone let's do and say we didn't  
    'Cause this feeling's way too strong  
        Girl, give me your hand  
        I wanna be your Lover Man  
        Forget your other man  
        I wanna be your Lover Man  
        Oh yes, I do  
    You know you want that too  
        Ooh, hoo, ooh
