

Voodoo Child (Doctor Who OST)

Rogue Traders

You're like Voodoo baby you just take hold
Put your cards on the table baby, do I twist, do I fold?
You're like Voodoo honey, all silver and gold
Why don't you tell me my future why don't I sell you my soul?
So hear it comes the sound of drums (here come the drums here come the drums) Baby, baby, baby. You are my
Voodoo Child, my voodoo child
Don't say maybe maybe
It's supernatural I'm coming undone
It's supernatural I'm coming undone You've like Voodoo Baby, Your kisses are cold
Fell your poison running threw me, let me never grow old
You're like voodoo honey, my pictures you stole
You play me like a puppet, stick in pins like a doll
So hear it comes the sound of drums (here come the drums here come the drums) Baby baby baby. You are my
Voodoo Child, my voodoo child
Don't say maybe maybe
It's supernatural I'm coming undone
It's supernatural I'm coming undone Hear come the drums here come the drums. Baby, baby, baby. You are my
Voodoo Child, my voodoo child
Don't say maybe maybe
It's supernatural I'm coming undone
Baby, baby, baby. I just take hold
Do I twist do I fold?
