It's Beautiful

Thomas Godoj

I never thought, a feeling like this
would rise upon me like a storm.
And blow me away, to a different place,
where I've never been before.Now when I'm watching you,
I could stay here forever.Mm, it's beautiful.
It's so beautiful.
I'm two feet above the ground.
Mm, it's beautiful.
Yeah, it's beautiful.
And nothing can bring me down.
Because i'm living a dream, that you've given me.
I'm heading for something new.
It's so beautiful...to be with you.When I was lost, you got me through.
Oh, baby you showed me the way.
There was no doubt, I knew we were right.
This feeling growes stronger today.Now when I'm watching you,
I could stay here forever.Mm, it's beautiful.
It's so beautiful.
I'm two feet above the ground.
Oh, it's beautiful.
It's so beautiful.
And nothing can bring me down.
Because i'm living a dream, that you've given me.
I'm heading for something new.
It's beautiful...I won't let you down,
I will always be around.
'Cause you bring out the best in me.
And you make me believe.
Oh, yeah, it's beautiful.Because I'm living a dream,
that you've given me.
It's beautiful.
I'm two feet above the ground.
It's beautiful.
And nothing can bring me down.
Because i'm living a dream, that you've given me.
I'm heading for something new.
It's so beautiful...to be with you.
