Sexy Drug

Falling in Reverse

Sexy girl I just fell in love
Your juicy trying it's a hell of a drug
Like OMG you make me come
Come, come completeI'm looking for reasons, I'm begging and pleading,
I'm dreaming of calling you mine
You keep me st-st-st-stuttering, stumbling,
Fumbling over my lines
Without you girl,
I'm not alright,
I'm not okay (yeah)No don't give up on me
Wait it's not what it seems
Now we can stop this tragedy
It's back to the start
(Yeah, yeah)
And we're falling apart
(Yeah, yeah)Sexy girl come and lie with me
Frustrated it's sexually
Like O-M-G you make me come
Come, come, completeI'm just being honest,
We're creeping and crawling, I'm kissing the top of your head
We're rocking and rolling, we're touching and moaning,
And making a mess of your bed
Can someone help, she shot me dead
I can't be saved
(Yeah)No, don't give up on me
Wait, it's not what it seems
Now, we can't stop this tragedySo God, if you are real, I need your help,
(Because this) girl has stolen my heart with her broken halo
And I can't deny, she's so damn fine
Give me some adviceSexy girl, I just fell in love
You should try it, it's a hell of a drug
Like O-M-G, you make me come, come, completeNo, don't give up on me
Wait, it's not what it seems
Now, we can't stop this tragedyNo, don't give up on me
Wait, it's not what it seems
Now, we can't stop this tragedy,
And it's back to the start
(Yeah, yeah)
And we're falling apart

(Yeah, yeah)
And it's back to the start
(Yeah, yeah)
And we're falling apart
(Yeah, yeah)
Shot straight through the heart
