

Cinderella Story

Plain White T's

Oh, oh, oh I saw you with him today
The boy who took my place
You seemed so much happier with me
Maybe that's just the way I want it to be I heard that you've been asking 'bout me
'Least that's what tears were telling me
I gave you up such a long time ago
But everyday I wonder why I ever let you go Now it's just another one of those days
Where you may not feel so right
The way you fit into my arms at night
I'll remember that feeling for the rest of my life But it's just another one of those days
I can't help but feel a little obsessed
About the things you and I never had
I had the world but instead I threw it all away
And now it's just another one of those days Oh, oh, oh Does he really give you all that you need?
Does he feel better than me?
I find it hard to believe Why don't you tell me to believe?
Why did you let me feel?
Is that the way it's got to be?
What's wrong with me? Why don't you tell me to believe?
Why don't you make him leave?
It's not the way this has to be But it's just another one of those days
Where you may not feel so right
The way you fit into my arms at night
I'll remember that feeling for the rest of my life But it's just another one of those days
I can't help but feel a little obsessed
About the things you and I never had
I had the world but instead I threw it all away
And now it's just another one of those days Oh, oh, oh
