

# Lush Life (JORDII Remix)

Zara Larsson

I live my day as if it was the last  
Live my day as if there was no past  
Doin' it all nite, all summer  
Doin' it the way I wanna Yeah I'mma dance my heart out 'til the dawn  
But I won't be done when morning comes  
Doin' it all nite, all summer  
Gonna spend it like no other It was a crush  
But I couldn't, couldn't get enough  
It was a rush  
But I gave it up It was a crush  
Now I might have went and said too much  
But that's all it was  
So I gave it up I live my day as if it was the last  
Live my day as if there was no past  
Doin' it all nite, all summer  
Doin' it the way I wanna Yeah I'mma dance my heart out 'til the dawn  
But I won't be done when morning comes  
Doin' it all nite, all summer  
Gonna spend it like no other It was a crush  
I kept saying I'mma stay in touch  
But that thing went bust  
So I gave it up, ooh No tricks, no bluff  
I'm just better off without them cuffs  
Yeah the sun won't set on us Went low, went high  
Still waters run dry  
Gotta get back in the groove  
I ain't ever worry Went low, went high  
What matters is now  
Getting right back in the mood I live my day as if it was the last  
Live my day as if there was no past  
Doin' it all nite, all summer  
Doin' it the way I wanna Yeah I'mma dance my heart out 'til the dawn  
But I won't be done when morning comes  
Doin' it all nite, all summer  
Gonna spend it like no other Now I've found another crush  
The lush life's given me a rush  
Had one chance to make me blush  
Second time is one too late Now I've found another crush  
The lush life's given me a rush

Had one chance to make me blush  
Second time is one too lateI live my day as if it was the last  
Live my day as if there was no past  
Doin' it all nite, all summer  
Doin' it the way I wannaYeah I'mma dance my heart out 'til the dawn  
But I won't be done when morning comes  
Doin' it all nite, all summer  
Gonna spend it like no otherNow I've found another crush  
The lush life's given me a rush  
Had one chance to make me blush  
Second time is one too lateNow I've found another crush  
The lush life's given me a rush  
Had one chance to make me blush  
Second time is one too late
