Breakdown (2000) by Relient K

Relient K

Oh, what a lousy excuse for a car
One mile to go, but I can't push it that far
I think I've had enough
I think I'm giving upSaved all my money to buy a new guitar
Then I got ripped off by the guy who fixed my car
I think I've had enough
I think I'm giving upOnce again life's thrown me a curve, and it blew up right in my face
Once again life's rattled my nerves
Don't you see that I'm stuck in this place?All because, you're giving me a ...breakdown
Stuck on the side of the road
Emotional over-load
He'll seek and destroy everything that I enjoy
But, I won't be the one he takes down
No, I won't breakdown
