Touch

Tarkan

When your heart dictates the moment
And the room feels like you own it
And all you see is for the asking
But just one look is all you're after
It opens a whole new worldIt's not what you're saying
But it's everything you do
It drives me crazy
And it's all because of youSlide over here
Skin against skin
Melt into me
Forget where you begin yeah
Cause everyone needs a touch
Everyone needs a touchYou're like a desert I'm like rain
I pour down you soak me inIt's amazing
It's just like a new horizon
Somehow you make me
Feel just like I'm flyingSlide over here
Skin against skin
Melt into me
Forget where you begin yeah
Cause everyone needs a touch
Cause everyone needs a touch
No matter who you are or where you're from
Somewhere down the road gonna need someone yeah
Cause everyone needs a touch
Everyone needs a touchWearing nothing but the summer breeze
Baby doing what comes naturally
Doing what comes naturallySlide over here
Skin against skin
Melt into me
Forget where you begin yeah
Cause everyone needs a touch
Everyone needs a touch
