## **How Much I Feel**

## **Ambrosia**

I don't know how this whole business started

Of you thinkin' that I had been untrue

But if you think that we'd be better parted

It's gonna hurt me but I'll break away from youWell, just give me the sign and I will be gone, yeahThat's how

much I feel feel for you, baby

How much I need I need your touch

How much I live I live for your loving

That's how much, that's how much

That's how much, that's how much sleep alone, and late at night I'm dreamin'

Of the togetherness that seems to be leavin' me, oh no

I'd give it all and then I'd give some more

If you would only love me like you had before Take hold of my hand all will be forgiven That's how much I feel

feel for you, baby

How much I need I need your touch

How much I live I live for your loving

Well that's how much, that's how much

That's how much, that's how muchSo you try, try to stay in the middle

And then you cry, well you cry just a little

Then you both realize just how foolish you've been

And you try to make amends but you're better off as friends

'Cause that's how much, that's how much

That's how much, that's how much How's your life been goin' on

I've got a wife now years we've been goin' strong

Oh no there's just something that I've got to say

Sometimes when we make love I still can see your face

Just try to recall when we were as one That's how much I feel, feel for you, baby

How much I need I need your touch

How much I live, I live for your loving

That's how much
