

# Razzmatazz

## Heavy

The trouble with your brother  
He's always sleeping with your mother  
And I know that your sister  
Missed her time again this month  
Am I talking too fast or are you just playing dumb?  
If you want I can write it down

It shouldn't matter to you 'cos aren't you the one  
With your razzmatazz and the nights on the town?  
Oh you knew it, and you blew it didn't you, babe?  
I was lying when I asked you to stay  
Now no-one's gonna care if you don't call them when you said  
And he's not coming 'round tonight to try and talk you into bed

And all those stupid little things

They ain't working, no they ain't working anymore  
You started getting fatter  
Three weeks after I left you

And now you're, you're going with some kid  
Who looks like some bad comedian  
Are you gonna go out?  
Or are you sitting at home eating boxes of milk tray?

Watch TV on your own, aren't you the one

With your razzmatazz and your nights on the town?  
And your father wants to help you doesn't he, babe?  
But your mother wants to put you away  
Now no-one's gonna care if you don't call them when you said  
And he's not coming 'round tonight to try and talk you into bed

And all those stupid little things

They ain't working, no they ain't working anymore  
Oh well I saw you at the doctor's  
Waiting for a test  
You tried to look like some kind of heiress  
But your face is such a mess  
And now you're going to a party  
And leaving on your own  
I'm sorry, but didn't you say

That things go better with a little bit of razzmatazz  
And now no-one's gonna care if you don't call them when  
you said

And he's not coming 'round tonight to try and talk you into bed  
Now it's half past ten in the evening and you wish that you were dead  
'Cause all those stupid little things  
They ain't working, no they ain't working anymore
