

# Hardcore UFO's

## Guided By Voices

sitting out on your house  
watching hardcore ufo's  
drawing pictures, playing solos til tenare you amplified to rock?  
are you hoping for a contact?  
i'll be with you, without you, againturn and run, the angel's calling  
you say when and i say i'm falling  
up and down through broken down buildings  
back and forth but please don't bother at allcount the days that we have wasted from the start  
speak the words and build a playground  
in your head
