I Ain't the One (Live at Knebworth)

Lynyrd Skynyrd

Now I'll tell you plainly, baby, what a plan to do
Say, I may be crazy, woman, but I ain't no fool
Your daddy's rich, mama, and you're overdue
but I ain't the one, baby, been messin' with you
Got bells in your mind, lady, and it's easy to see
I think it's time for me to move along, I do believe
Or are you tryin' to put a hook on me, oh no?Now you're talkin' jive, woman, when you say to me
that your daddy's gonna take us in, mama, 'n take care of me
You know and I know, woman, I ain't the one
I never hurt you, sweetheart, said, I never pulled my gun
Got bells in your mind, mama, and it's easy to see
I think it's time for me to move along, I do believe
Time for me to put my boots out in the streetNow you're talkin' jive, woman, when you say to me
that your daddy's gonna take us in, mama, 'n take care of me
You know and I know, woman, I ain't the one
I never hurt you, sweetheart, said, I never pulled my gun
Got bells in your mind, mama, and it's easy to see
I think it's time for me to move along, I do believe
Oh, I must be in the middle of some kinda conspiracy
