

# Struggle

## R.A.Z.O.R.

Con Fuerza Boriqua  
Strugglin goin through the motions  
Day in day out  
Another commotion  
Backstabbed don't know how to stop  
A friend is only a dollar in a pocket  
Won't let you  
Chase the dream that I had since I was  
Just a little chico in my teens  
Now you're gone and I'm doin fine  
And you are since you went to  
Can you see the tears?  
Can you see the pain?  
Do you see the hate that I have today?  
Can you see the tears?  
Can you see the pain?  
Do you see the hate that I have?  
From demention  
To depression  
This is the anger we generate  
From demention  
To depression  
This is my anger  
It's time for me  
To live the dream  
And to release my anger  
It's time for me  
To live the dream  
And to release my anger  
Strugglin goin through the motions  
Day in day out  
Another commotion  
Backstabbed don't know how to stop  
A friend is only a dollar in a pocket  
Won't let you  
Chase the dream that I had since I was  
Just a little chico in my teens  
Now you're gone and I'm doin fine  
And you are since you went to

Can you see the tears?  
Can you see the pain?  
Do you see the hate that I have today?

Can you see the tears?  
Can you see the pain?  
Do you see the hate that I have?

From demention  
To depression  
This is the anger we generate  
From demention  
To depression  
This is my anger  
It's time for me  
To live the dream  
And to release my anger  
It's time for me  
To live the dream  
And to release my anger  
And whether you or me or him  
Ever really thought that I would make it  
Never really took another second  
To reply to all the letters  
Sent all the people asking me  
To be president  
And whether you or me or him  
Ever really thought that I would make it  
Never really took another second  
To reply to all the letters  
Sent all the people asking me  
To be president 180 Degree turn  
You never learned your lesson  
Your mistakes that  
Cause and effect the brainiack  
Acting like you're a punk 180 Degree turn  
You never learned your lesson  
Your mistakes that  
Cause and effect the brainiack  
Acting like you're a pun  
Stabbed your back  
It's time for me  
To live the dream  
And to release my anger  
It's time for me  
To live the dream

And to release my anger
